Programme: - Activity No 1 :- World Population Day

Report of the programme :-( If required attach additional sheets)

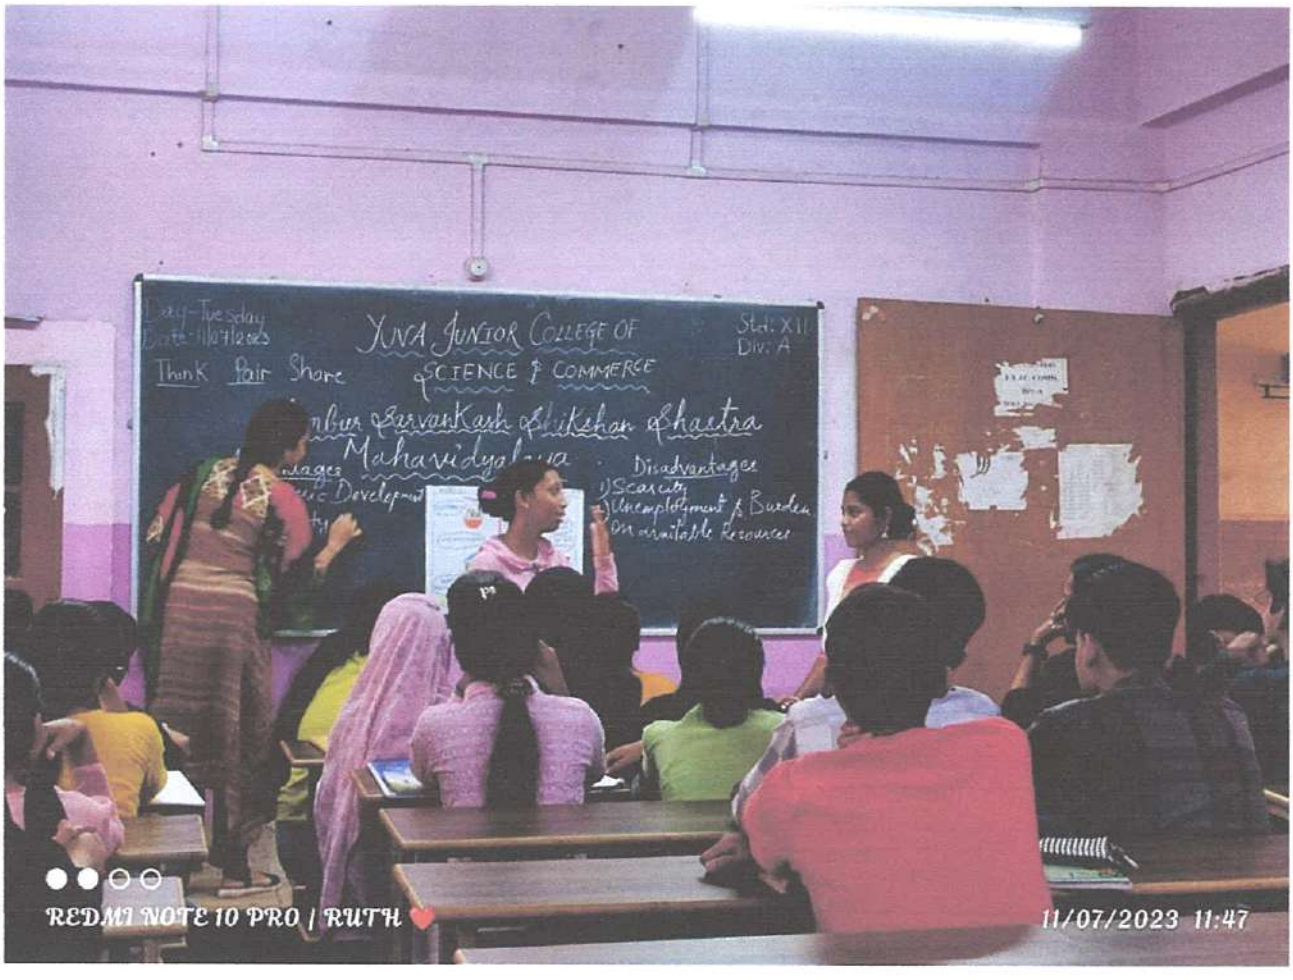

In Our 2nd Semester Internship program me our first activity we took in our internship college i.e. Yuva Junior College of Science and Commerce was of World Population Day.

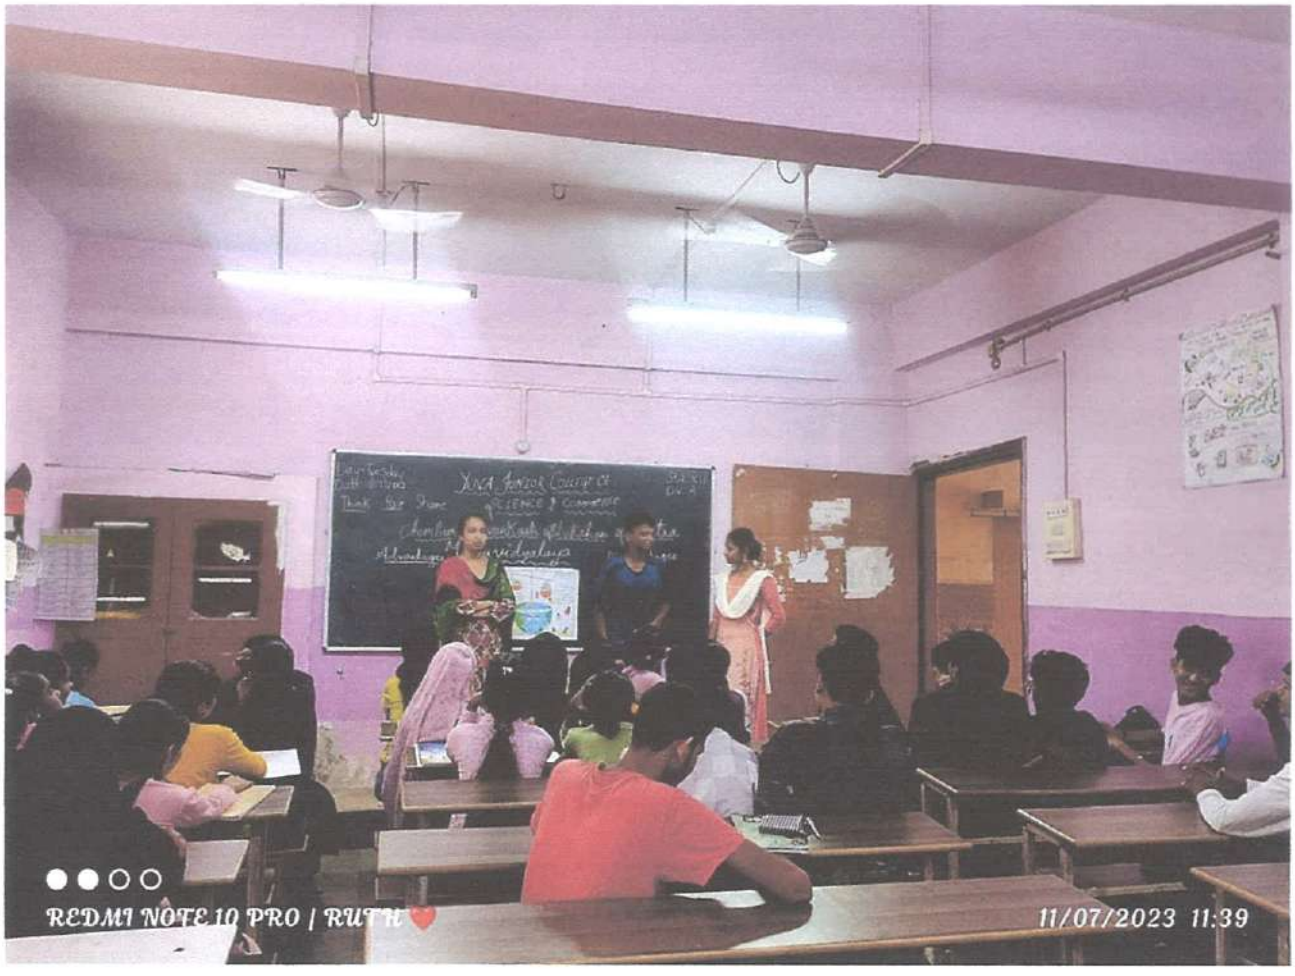

After entering the class we did Black-board work. We sticked the Poster's on Board and used coloured chalk while doing Black-Board Work. We Conducted Debate Competition on the Topic of Advantages and Disadvantages of Population. By showing the Poster's we made, we asked students, what they understood from the Image in the Poster's. what's is the hidden message in the picture in the Poster. The poster was about the increasing population and depeting resources and stress over the available resources, and stress over the available resources, Scarcity of resources etc.

Signature of Rapporteur | Name & Signature of Teacher | Signature of Principal

The Students answered to the questions about the poster, somewhat related to the content. We told them about the facts and current Scenario about the world population. And the ways & precaution to be taken to avoid the population growth, we have also adviced them to use the resources carefully, & how they can use it or ways to use the resources carefully. as we conducted the activity in the class 12th of Commerce Stream. Therefore, it is important for us and to make student aware about all the economical and Social factors affected due to population.

Report of the programme :-( If required attach additional sheets)

Our Second Activity that we conducted in our internship programme was on Water Scarcity.

We entered into the class we did Black-board work by using colour chalks, we prepared slogans, and even asked students to make slogan on the topic of Water Scarcity. We started the activity by asking them questions about what they understood from the posters & images. After these we performed a small skit / play on the topic of Water Scarcity. where one scene was about the wastage of water by us on our day to day life and the second scene was about the farmers who are in wait of rain as there is draught due to no rains. students were very keen while

Report of the programme :-( If required attach additional sheets)

Our third Activity and the last activity of the 2nd Semester Internship was on Food Wastage.

We Entered the class and the first thing we did was. Black-board Work. using the colour chalk. Then we stick posters and charts on the same topic Then we took discussion session with students - where they have saw or any kind of Food Wastage in their day to day life. Did they took any step to stop Food Wastage? The students shared their experiences & views on this topic.

Then we told them the hacks to preserve food and avoid Food Wastage. we can use fruits and vegetables peel to make face packs, we can use the roots of the

vegetable to grow plants. We shared few facts regarding the World Food Wastage

So, This is ~~our~~ how our third activity at Internship came to an end. It was a completely new experience for us. As it was for the first time we were conducting the lectures and activity. We learnt a lot of aspect during this three week Internship programme. And the best part was students were very co-operative and participating in all the activities with full enthusiasm and spirit.

Programme: - World Population Day.

Report of the programme :-( If required attach additional sheets)

The activity conducted on 'World Population Day' was 'Poster/Slogan Making Competition' on 11th July, 2023 in 'Vidyaniketan College of Commerce and Science, Ghatkopar (East). The program was initiated by discussing the rankings of various countries in terms of population from higher to lower. The main motive behind celebrating this 'World Population Day' was to spread awareness amongst pupils regarding 'Over-population' and measures to curb it. We scheduled the activity at 11:15 am sharp in proxy lecture. The student's participation was minimal as they were not aware about the main reason behind celebrating 'World Population Day'. So, the reason behind celebrating it was briefly conveyed by 'Dr. Manjula Bhandari Ma'am' who was appointed as the observer for that particular day. Later, the spokesperson Riya Shirodkar Ma'am one of the team member cum team leader explained well about the criterias regarding how population affects negatively and

Signature of Rapporteur | Name & Signature of Teacher | Signature of Principal

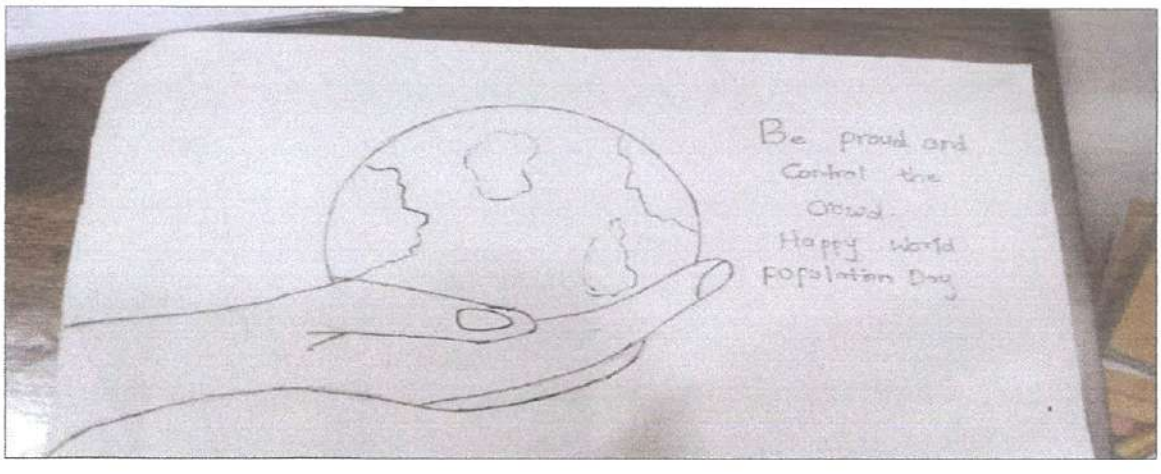

extincts the natural resources which might bring difficulties to future generation. Also, as a student how they become capable towards controlling population by planting trees as a small but effective measure.

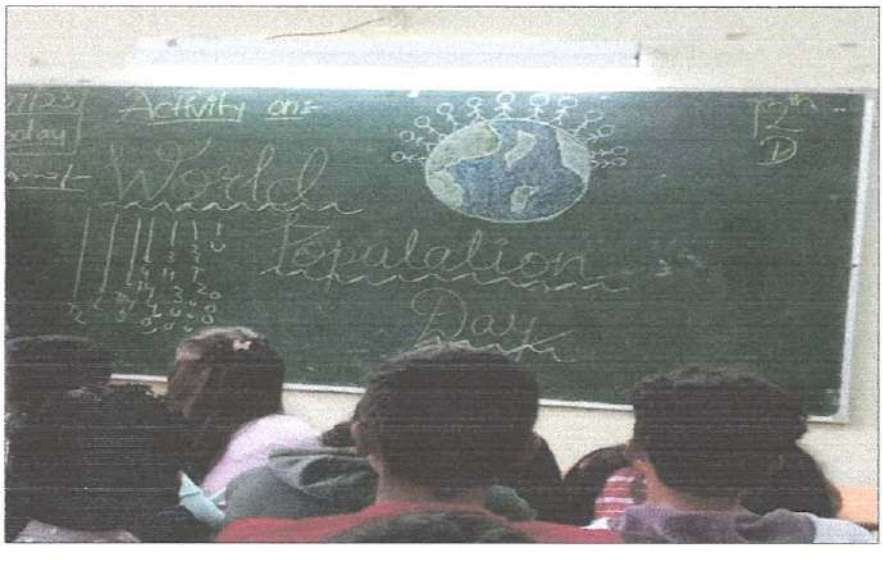

later we alloted them specific time for making poster/slogans and it became a good source for maintaining discipline in class and keeping students engage. Also, they understood the difference between healthy population, over population and under population. In short the outcome was satisfactory as the co operation on the part of students was not so good. As I (Manasi) and Riya hosted the programme we got a lot of experience regarding conducting an activity alongwith the support of team members.

Programme:- Women Empowerment.

Report of the programme :-( If required attach additional sheets)

This activity was conducted at Vidyaniketan College, Ghatkopar (East) on 25th July 2023 From 12:40 pm to 1:50 pm under the guidance of Vibhawari Nikam Ma'am. by student teachers of Chembur Sarvankash Shikshanshastra Mahavidyalaya.

I (Mrunali) & Priscilla initiated the programme by discussing the importance of education & equality to the women. The problems faced by the women in society were also discussed. The students understood the importance of women in the society & the progress of women indirectly builds the nation.

We created the awareness of Women Education, Freedom, Literacy, Training. To make them understand how women are considered weak & not given equal opportunities. Importance of gender equality.

Implementation of the activity was done in Hand writing competition, in which pupils were writting the Essay on Women Empowerment. Hand writing competition and their creativity was suppose to be shown on Women Empowerment. One small stanza on Women Empowerment was given or shown on the Rolling board to all the students, which they had to copy down with neat & beautiful handwriting.

This way pupils got a succinct idea regarding equal opportunities in the fields of education, employment, training, literacy to create a women's Identity, Entity & Independency.

We got to know the awareness of pupils related to Women education and their Empowerment and the Progression of the Nation.

Programme: - Food Wastage.

Report of the programme :-( If required attach additional sheets)

On 18th July 2023 from 8:30 am to 10:00 am activity on food wastage was conducted in Tilak Nagar Mumbai public school by student teachers of chembur Sarvankash Shikshan Shastra Mahavidyalaya under the guidance of Pranoti Phatak Ma'am and Pradny Ma'am.

The students of standard 9th of all divisions 9thA, 9thB, 9thC were involved in these activities.

Day before activity instructions about activity was given by our students teacher like ✆ come prepare with slogans on food wastage, bring A4 size blank papers for making posters, colours, etc.

On the day of activity student teacher started activity by introduction of topic food wastage. how food is important for our life, how much hardwork our farmers have to do in farming grains. There are many people living on streets struggling for time food, they don't even get sufficient food for life. So we should value & respect the food by not wasting it.

Simultaneously segregation of dry waste and wet waste importance was told, preventive measures, procedure & steps of composition of waste.

In the activity students were told to write slogans on food wastage ~~like~~. & students wrote it very nicely like.

- Think of the poor before you waste your food.
- Food is your weapon, stop wasting it.
- Be a responsible adult: conserve food
- Throwing food is like throwing money.

Poster activity on food wastage was also conducted & even some students wrote short essay on it. All work was done very nicely by the students

Students actively participated in activity, they did their work very nicely.

Pradny teacher of school was asked to give small speech on topic of food wastage.

Even students were asked to give their feedback of the activity. From feedback of students we understood that they will make changes in lifestyle & value food & will not waste food

They got aware about the conditions that can arise due to food wastage.

Objectives of our activity was to.

- Create awareness about not wasting food & Valuing food
- Their responsibility towards society & nature.
- Segregation of dry waste & wet waste.
- To realize students about their bad attitude towards wasting food

Conclusion :-

Overall the whole activity was worthfully conducted & every child participated with all his/her interest, enthusiasm and curiosity & they learned the importance of food & healthy food.

# MEMORIES...

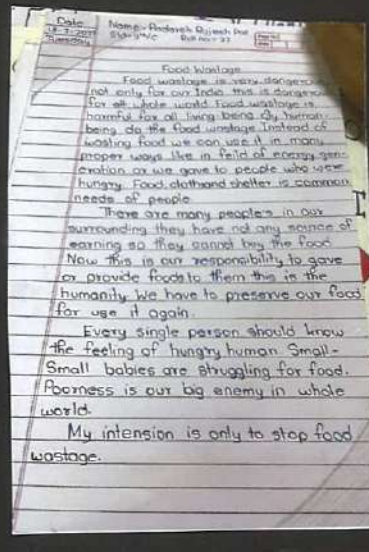

Food Wastage

Food wastage is very dangerous not only for our India this is dangerous for all whole world. Food wastage is harmful for all living being by human being do the food wastage Instead of wasting food we can use it in many proper ways like in field of energy generation or we gave to people who were hungry. Food, clothand shelter is common needs of people.

There are many peoples in our surrounding they have not any source of earning so they cannot buy the food. Now this is our responsibility to gave or provide foods to them this is the humanity. We have to preserve our food for use it again.

Every single person should know the feeling of hungry human. Small-Small babies are struggling for food. Aborness is our big enemy in whole world.

My intension is only to stop food wastage.

'Na Gandagi Karenge, Na Karne denge'- which was organised by CSSM student-teacher Sana. Beautiful Board Work was done by Jeweem, Shela and Sana with message of Swachh Bharat.

The programme was commenced with an opening remarks from our leader Vinaya where she highlighted the history of Swachh Bharat Abhiyan. She further stated that Being clean and well groomed makes one feel more confident, and comfortable both physically and mentally. She also enlightened the students of class 6th to 8th of Rajawadi MPS with her profound knowledge upon Swachh Bharat Abhiyan concept. The programme also covered various parameters of personal hygiene i.e - brushing teeth, washing hand before and after meal, after toilet, wearing clean clothes etc. After inspiring message from School teacher Mrs. Sabah Khan ma'am, the floor was opened for the participants to come forward and share their thoughts regarding the same.

Conclusion:- The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. Its responsibility of the entire citizens to keep themselves, next their home and their surrounding clean. The event reaffirmed and reinstated the importance of cleanliness and motivated all to work for making India a "CLEAN INDIA" which will fulfill the dream of our father of Nation - Mahatma Gandhiji. The CSSM student teachers successfully organised and hence the programme was ended with 'VOTE OF THANKS' by Jeweem, Nagma.

Programme: Anti-corruption day.
Report of the programme :-( If required attach additional sheets)

Anti-corruption day is observed on December 9 globally to raise awareness on the importance of a corruption-free society. Likewise, it was conducted in our internship school- RAJAWADI MPS, Ghatkopar (East), on December 8, 2023 i.e. on Friday, which was organized by the student-teachers of CHEMBUR SARVANKASH SHIKSHANSHASTRA MAHAVIDYALAYA to create awareness among the students about different social crimes, exploitation, fraud, extortion etc. and enable them to fight against it.

Corruption is one of the biggest obstacles to achieving the SDGs. It has been that a person in power abuse people and so they lost their freedom, health, life and future. corruption affects every country, religion, region, community and no one

Anti- Corruption....
Corruption is an evil that spreading its poison in the roots of nation....
Comption in simple words is when a person in power decides to misure his/her power. In making money for himself / herself. A corrupt person takes a lot of bribes from people and in return do illegal work....
In India, corruption increases day by day because there is a secure connection between officals politicians and criminals who are makeing this country weaker and weaker.....
Many cause of corruption in India.... are Greed for..... Money the thirt of earning more money makes a man walk on wrong path to get their goals so the bribe and become corrupt Insufficient.... salaries are also a reason of... corruption because government employees gets low salary as..... compared to private.... sector employee so they have to find wrong way to earn extra money. Most individual in India.... do not know how the system works so they have find themeeleves helpness that their they have to bribe to get their work do. So, illiteracy is also a reason for corruption.....
Today...
everyone is in hurry that they don't want to wait for corruption their work
BRILLIANT

is immune to this crime. Therefore, the main objective of the day is to eliminate corruption to make a way for a prosperous society in the whole world.

Lots of activities like conferences, speeches, essay writing, plays with a feeling to combat corruption are performed in many schools. The students of class IX actively participated in 'essay writing' and 'speech' activity. The programme was commenced with an opening remark from our leader 'Vindya Selvaraj' where she highlighted about the day and provided knowledge to the students regarding corruption and how to curb it. Students actively came forward and shared their thoughts on corruption and how to deal with this. Some of students had written exceptionally well on 'Anti-corruption'.

After inspiring message from school teacher Mrs. Sneha , & Mr. Kulchand Chaudhari sir, the programme concluded with a photo session and proposal of 'vote of thanks'.

Programme: - WORLD POPULATION DAY (SKIT PLAY)
Report of the programme :-( If required attach additional sheets)

On 11th July 2023 from 8:30 am to 9:30 am a special assembly was conducted at Rajawadi Mumbai Public School by Student Teachers of Chembur Sarvankash Shikshanshastra Mahavidyalaya. Under the guidance of Dr. Manjula Bhandari Ma'am. to celebrate the "World Population Day". Students of Class 9th presented a short musical skit which dealt with the reasons for the 'population explosion'.

Students showcased the simple yet powerful skit depicting the consequences of rising population. Students linked the menace of population increase with issues like food & water shortage, lack of education, unemployment, lack of accomodation. The message was conveyed that population is growing by thousands, day by day, and has long outstretched beyond sustainable mark!

The school teacher Mr. Khilchand Chaudhari Sir was extremely contented to see the active

participation and to have the concern of young generation towards 'population explosion'. He remarked, "The aim of conducting this special assembly is to spread awareness about the dire consequences of population explosion. The natural resources may deplete if there would be a huge growth in population and so it is we who need to serve humanity by encouraging sustainable development through the judicious use of natural resources."

Activity on World Population Day was conducted in their own class. And was well appreciated by all. It was great day for students to come out their seats and do something for provide awareness regarding over population.

Conclusion:- In conclusion, this skit play activity add balance to student life and help to facilitate physical and cognitive development in students. It was very enriching & enjoyable experience for the students and we teachers also as they were free to express their thoughts through 'feedback session'. The School teachers shared positive feedback and lauded the efforts of the students and student teachers in being a part of such initiatives.

'Na Gandagi Karenge, Na Karne denge'- which was organised by CSSM student-teacher Sana. Beautiful Board Work was done by Jeweem, Shela and Sana with message of Swachh Bharat.

The programme was commenced with an opening remarks from our leader Vinaya where she highlighted the history of Swachh Bharat Abhiyan. She further stated that Being clean and well groomed makes one feel more confident, and comfortable both physically and mentally. She also enlightened the students of class 6th to 8th of Rajawadi MPS with her profound knowledge upon Swachh Bharat Abhiyan concept. The programme also covered various parameters of personal hygiene i.e - brushing teeth, washing hand before and after meal, after toilet, wearing clean clothes etc. After inspiring message from School teacher Mrs. Sabah Khan ma'am, the floor was opened for the participants to come forward and share their thoughts regarding the same.

Conclusion:- The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. Its responsibility of the entire citizens to keep themselves, next their home and their surrounding clean. The event reaffirmed and reinstated the importance of cleanliness and motivated all to work for making India a "CLEAN INDIA" which will fulfill the dream of our father of Nation - Mahatma Gandhiji. The CSSM student teachers successfully organised and hence the programme was ended with 'VOTE OF THANKS' by Jeweem, Nagma.

Programme: Anti-corruption day.
Report of the programme :-( If required attach additional sheets)

Anti-corruption day is observed on December 9 globally to raise awareness on the importance of a corruption-free society. Likewise, it was conducted in our internship school- RAJAWADI MPS, Ghatkopar (East), on December 8, 2023 i.e. on Friday, which was organized by the student-teachers of CHEMBUR SARVANKASH SHIKSHANSHASTRA MAHAVIDYALAYA to create awareness among the students about different social crimes, exploitation, fraud, extortion etc. and enable them to fight against it.

Corruption is one of the biggest obstacles to achieving the SDGs. It has been that a person in power abuse people and so they lost their freedom, health, life and future. corruption affects every country, religion, region, community and no one

Anti- Corruption....
Corruption is an evil that spreading its poison in the roots of nation....
Comption in simple words is when a person in power decides to misure his/her power. In making money for himself / herself. A corrupt person takes a lot of bribes from people and in return do illegal work....
In India, corruption increases day by day because there is a secure connection between officals politicians and criminals who are makeing this country weaker and weaker.....
Many cause of corruption in India.... are Greed for..... Money the thirt of earning more money makes a man walk on wrong path to get their goals so the bribe and become corrupt Insufficient.... salaries are also a reason of... corruption because government employees gets low salary as..... compared to private.... sector employee so they have to find wrong way to earn extra money. Most individual in India.... do not know how the system works so they have find themeeleves helpness that their they have to bribe to get their work do. So, illiteracy is also a reason for corruption.....
Today...
everyone is in hurry that they don't want to wait for corruption their work
BRILLIANT

is immune to this crime. Therefore, the main objective of the day is to eliminate corruption to make a way for a prosperous society in the whole world.

Lots of activities like conferences, speeches, essay writing, plays with a feeling to combat corruption are performed in many schools. The students of class IX actively participated in 'essay writing' and 'speech' activity. The programme was commenced with an opening remark from our leader 'Vindya Selvaraj' where she highlighted about the day and provided knowledge to the students regarding corruption and how to curb it. Students actively came forward and shared their thoughts on corruption and how to deal with this. Some of students had written exceptionally well on 'Anti-corruption'.

After inspiring message from school teacher Mrs. Sneha , & Mr. Kulchand Chaudhari sir, the programme concluded with a photo session and proposal of 'vote of thanks'.

Programme :- Women's Day Celeberation
Report of the programme :-( If required attach additional sheets)

On 7th March 2024, Women's day celeberation activity was conducted in Rajawadi MPS by the student teachers of Chembur Sarvankash Shikshanshastra Mahavidyalaya in order to enlighten the children about the empowerment & upliftment of girls & women in present day scenario.

We started our activity at 9:20 am in the classroom of 7th standard where all the secondary students (6th, 7th & 8th) were gathered. Various activities were carried out by the student teachers, like showcasing a short ad film for women empowerment by Tehseen followed by an explanation by Sheetal, a presentation presented by Naziya & Tehseen about the importance of women in everyone's life & the significance of women. Excellent board work was done by Tehseen, Sana, Naghma & Priscilla.

Proceedingly, we asked certain students to showcase their talent in poetry & quotes' recitation. Students came forth and recited their
