Programme: Say no to drugs "

Report of the programme :-(If required attach additional sheets)

On 24th January a program on say no to drugs was organized in the conference room. The workshop was conducted by Mrs. Radhika Padmanabhan who pursued M.Sc chemistry from I.I.T Madras with distinction (Gold Medalist) and also completed B.ed. Moreover, she was also awarded as best teacher. Later on she became a member of many club of Thane Horizon later she started spreading awareness about drugs in different schools & colleges.

The program started with a great video where it shows the future of an individual who are constantly engaged in drugs. The workshop aimed to provide a dept knowledge on how individuals are addicted towards drugs, the reason behind their addiction and how the environment and family influence a person to be addicted towards drugs.

Later the program went interesting. when she explained on each drug in detail, how they are pronounced in local language like drugs are named as candy, chilly pills etc. She also made us aware about various signs & materials which are often found or observed in a drug addict individual.

We were also made aware about drugs which immediately spikes up an individual and how it can easily be transferred in one's drinks and how to stay from such these individuals.

Later on, how drug rehabilitation programs how it works. and the facilities provided by them for an individual to move out from drugs not temporarily but permanently by giving a live example of Sanjay Dutt (a Bollywood actor)

Thus, This program made us aware about various drugs which are quite spread among young aged individuals. and how one can safeguard oneself. As a future teacher, we came to know about various materials and symptoms through which it would be easy for us to figure out. So, awareness about drugs is not wrong but consuming it is hazardous.

Dear Madam Radhika Padmanabhan,

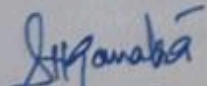

This is to express our sincere gratitude for your invaluable contribution as a resource person at 'Say No to Drugs' workshop. Your presentation was not only informative but also deeply impactful, leaving a lasting impression on all attendees.

Your expertise and passion for the subject matter were evident, and you presented the information in a way that was both engaging and easy to understand. The student teachers were captivated by your insights into the dangers of drug abuse and the importance of making healthy choices. Your words resonated with many, and I believe your message will have a positive influence on their lives.

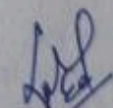

We truly appreciate you taking the time to share your knowledge and experience with us. Your dedication to raising awareness about this critical issue is commendable, and we were honoured to have had you today.

Thank you again to you and to the Rotary club of Thane Horizon for the commitment to creating a drug-free community. We hope to have the opportunity to collaborate with you again in the future.

Sincerely,

Ms. Smita Ganatra
